A three-day program partner meeting of Cotton Connect was organized from 11 to 13 February 2025 at Penang – Malaysia. In which representatives of Turkey, China, Pakistan, Mali, Mozambique and India were present. Program Unit Manager Umiya Sankhat attended this training on behalf of our organization.

CottonConnect organized a short training on understanding Green House Gas Emissions in Agriculture and working towards Net Zero at Mumbai on 20th & 21st February, 2025. In this training from our organisation Kaushik Pandya were participated. Dr. Keshav Kranthi, ICAC, USA provided training on above subject.

Child Development Center

This month, we proudly established a Child Development Center in our program village of Tramboda, At this center, we are providing education to children of migrant labourers, ages 3 to 14, many of whom have dropped out or never attended school due to the challenges of migration. We tailor our lessons to their age and needs, empowering them with the knowledge and skills to become stronger and more resilient.

Health and Environment

Women's health camps were organized at Dhokadva, Timbi and Khambha in the work area by Shikshan Ane Samaj Kalyan Kendra in collaboration with CottonConnect Farmer Community Foundation. In these camp health check up and diagnosis was done by gynecologist and physician. Necessary medicines were also provided to the patients. Total 473 women were got benefit of this camp.

Development Support Center (DSC) organized Regional Level Workshop on People Centered Water Management and Water Security at Amreli on 21st February 2025. The main objective of this workshop is to create awareness about the importance of saving water, its utility and accurate usage as per requirement. In this camp, on behalf of the organization Mr. Ramesh Solanki highlighted the work area and its important functions. Along with this, Inayatbhai gave a detailed presentation on the working area of Gondal and Kotda Sangani block. Farmers from Nana Sakhpur and Nana Ankadia villages were also present in the camp. They shared their experiences and informed about the changes brought about by various schemes and experiments.

Agriculture Growth and Disaster Risk

Apart from this, activities like 30 biochar demonstrations, soil testing through rapid kit, school program on child labour and child rights, labour meeting, LG farmers meetings etc. were conducted in all the villages of the program unit during the month.

On February 15, 2025, a one-day workshop was organized by Unnati and UNICEF at Saiyad Rajpar village for maintenance and management of Multi-Purpose Cyclone Shelter. In which representatives of the organization were present to prepare the next strategy.

Feedback received on the information published in the magazine.

Paritaben Patoliya has expressed appreciation for the activities undertaken by the organization in her feedback. Specifically, she has shown a special interest in women empowerment activities and has extended her best wishes for the continuation of such programs.

Heartfelt Tribute

Late. Dayabhai Poonambhai Patanvadiya

On Tuesday, 18/02/2025 (Maha Vad-6, Samvat 2081), our dear Late. Dayabhai Poonambhai Patanvadiya passed away. He joined the Watershed Program team at the Shikshan Ane Samaj Kalyan Kendra Organization in 1999 and dedicatedly served as an organizational worker until 2006. When Avirat Company was established, he was appointed as its first CEO and remained a committed warrior of Avirat for 10 years. His relentless hard work and selfless service became a strong pillar of support for the organization. His invaluable journey and dedication will always be remembered in the history of the organization. In this moment of grief, we pray that the Lord grants peace to his soul and gives strength to his family to bear this loss.
