Best five achievements

The dialogue with the Azim Premji Foundation started in June 2024. From the beginning of the entire process till now, it was the first attempt at continuous dialogue, coordination, documentation, the project was able to be achieved due to the joint efforts and dominance of the organization. I have tried to do the best in terms of continuous dialogue, coordination, and documentation. – **Janaki Pandya**

The farmer who was selected as an entrepreneur, increased his income by selling his input product worth Rs. 64,800 – **Arjun Zanzarukiya**

The company achieved a turnover of 50 lakhs, able to guide members for use of organic inputs, and it will be possible to give gifts to the company for the second consecutive year. – **Jayanti Sarvaiya**

I made an effort to take the children of the laborers working at LG Leader's farm to school. Currently, 3 children go to school regularly – **Bansari Javiya**

At the end of this year, in Garani, me and my farmer came together and built an input center in partnership. Farmer of Pansada (who has provided the input center) gave us earthworm for free of cost. So we got the facility of an additional input center in this area. – **Bhanubhai Dhrangiya**

New members were added to Avirat, other members also joined and started buying the items available in Avirat. This year, apart from the members, other farmers have also placed orders for groundnuts worth 20 maunds. – **Mahesh Mayatra**

I coordinated with the Gram Sevak and provided pesticides bottles to farmers. – **Induben Shelar**

After joining the organization, my farming expenses have reduced. – **Bechar Savra**
