A “Pashu Sakhi” training session was held in Gondal for 50 dairy farmers from Gondal, Kotda Sangani, and Jasdan blocks. Under guidance of Gondal’s veterinary officers Mr. J. M. Chaudhary and Shri P. Pansuriya. Participants learned about key aspects of livestock management nutrition, breeding (including artificial insemination), housing and health care. The training emphasized proper feeding and watering, calf care at birth, disease detection, deworming and vaccination routines. It also clarified the role of “Pashu Sakhis” in village-level animal care and shared information about government support via Helpline 1962.
